

Membership Mentor

- Serve as the primary mentor for FETX members, offering guidance on career development, business growth, and leadership.
- Provide personalized mentorship through one-on-one virtual meetings, addressing specific needs and goals.
- Assist Membership Managers in their cities by responding to mentorship requests and providing resources to members as needed.
- Curate and share valuable resources, such as business development tools, leadership strategies, and networking opportunities.
- Work with Membership Managers to identify common challenges members face and create tailored solutions.
- Stay in regular contact with Membership Managers to assess mentorship needs in each city.
- Engage with members through virtual channels to offer ongoing support and encouragement.
- Provide updates to FETX leadership on mentorship trends, member needs, and areas for improvement.
