

Videographer

- Attend all FETX events, community initiatives, and branding projects to capture high-quality video content.
- Film key moments, including speaker presentations, networking, community impact, and event activations.
- Edit all video content to produce engaging, polished final products.
- Incorporate FETX branding, captions, and music as needed.
- Submit all final edits for approval by the FETX Founder before distribution.
- Provide approved video content to Social Media Manager Carynn Gonzales for posting and promotion.
- Deliver sponsorship-related video content to the Partnership Manager in their city within 48 hours of events.
- Work closely with the Content Manager and other team members to align visual storytelling with FETX's messaging.
